MEMORANDUM FOR: [REDACTED]

Center for Policy Support
7F-30, Hqs.

As it relates to NFIB matters, I thought we should get DDI's views before we sent this memo in to DDCI. Two points that strike me: a) logical as this proposal is, should DDCI make it unilaterally, i.e., without consulting NSA? b) Is the matter truly likely to come up before NFIB in the near term?
